Crossing the Tracks

. . . enroute to our campus merely brings us to the crossroads. Savannah Christian - the place where its tracks are varied and many and its crossing becomes a way of life. Even though it seems like a strange idea for a yearbook theme, it is a familiar thought for all of us associated with SCP. In a day's time we cross many tracks, the friends we have, the feelings we express, the dreams we share, and the knowledge we gain here bring us back to the same image. It's surprising, yet so true, that Savannah Christian is indeed a crossing of tracks.

Not Another One!!

Flashing red lights,
Boxcars slowly rattling by,
A line of buses waiting,
And cars idling
With students hoping that
First period will be
Cut short.

Seniors skip—lunch to cram for Edington's test.

Why do we always catch a train on the way home?

3:30 P.M. - The school's parking lot becomes empty fast.

Michele Smith tries to catch up on homework during "open campus".

Where have all the cows gone?

Seniors are making plans for the senior spirit tree.

Come on, throw the ball.

What are those girls doing in the boy's PE class?

A beautiful sight on campus but off limits to students.

A familiar scene
When your campus home
Is across the tracks.
But crossing tracks
Is more than railroad ties and
Freight cars
When you think of SCP.

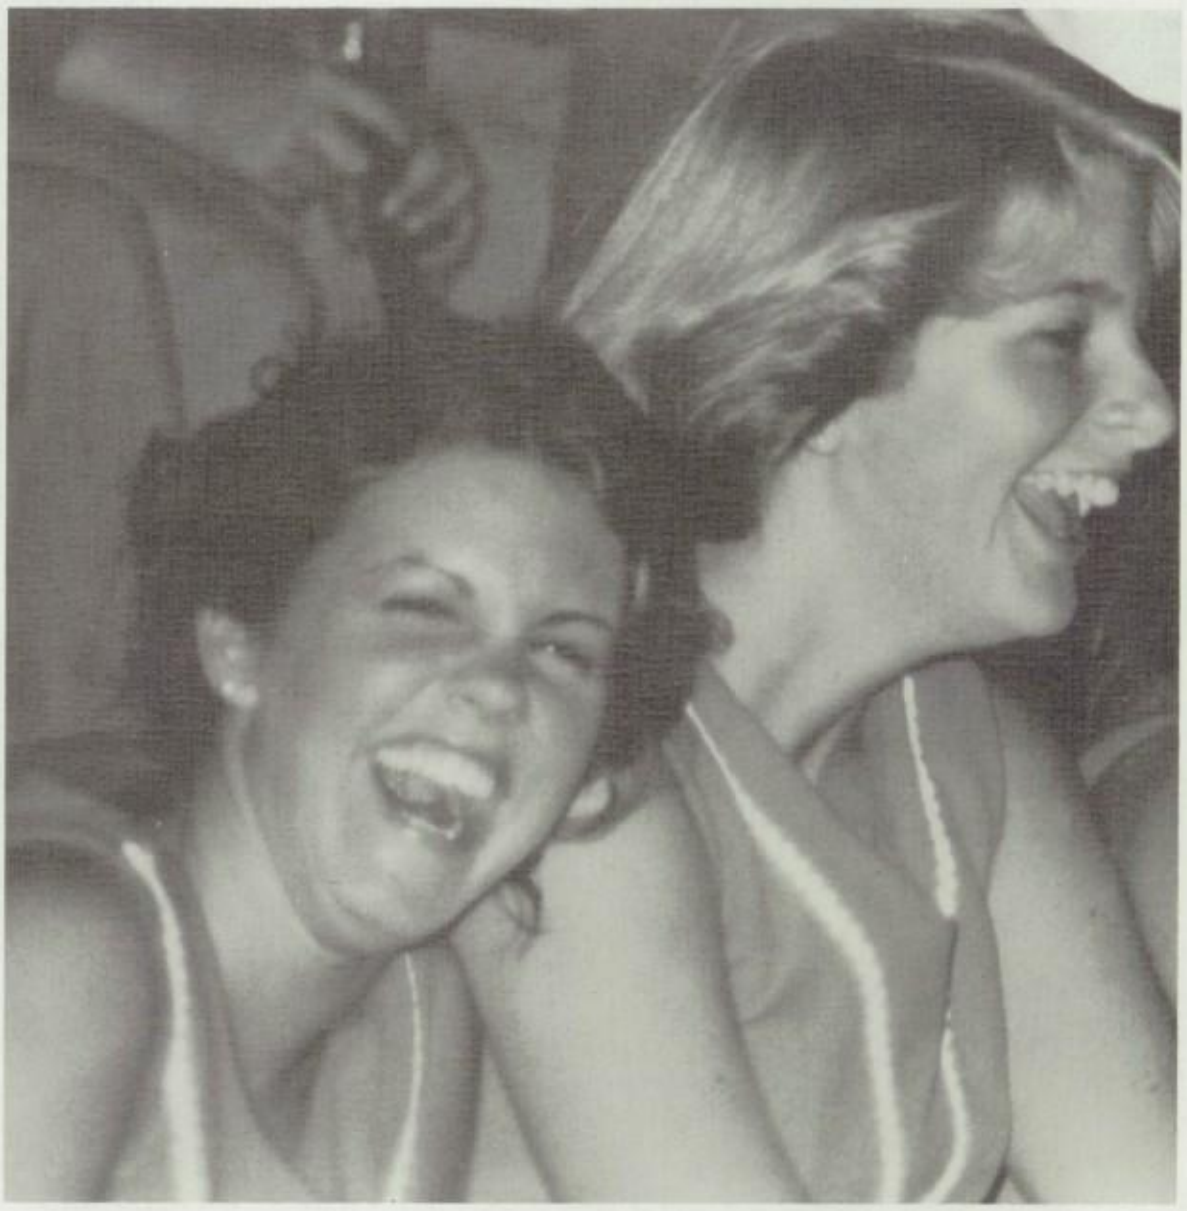
"People-Junction"

Our campus home
Is a "People-Junction",
Where you don't need a clique
To belong.
Where friendship is more
Than just a state of mind;
It becomes a way of life.

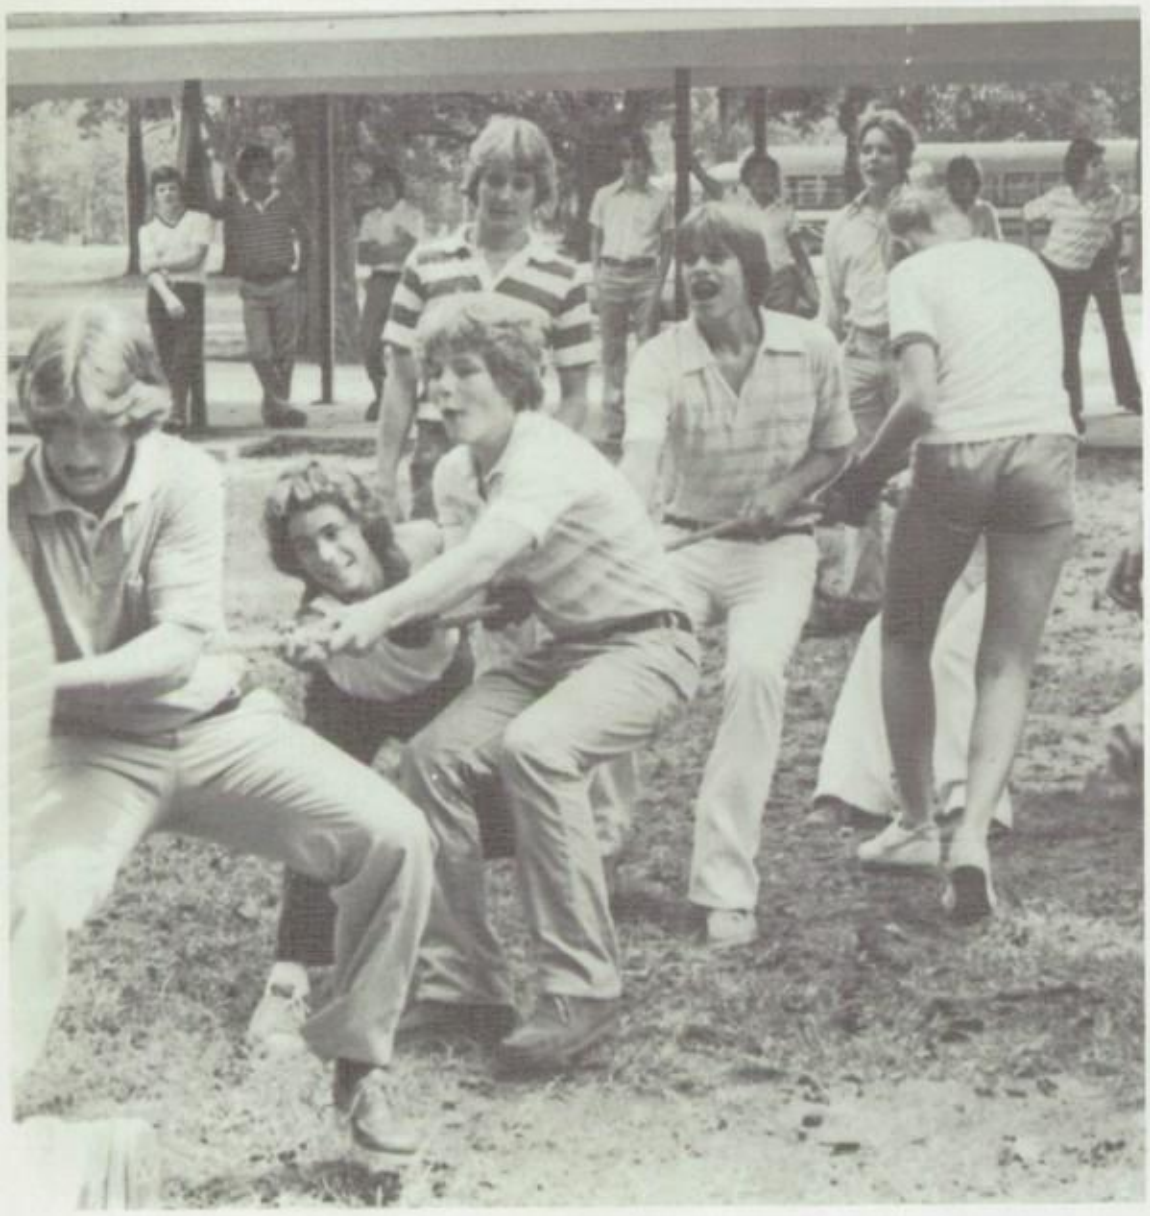
Having a hard time there, huh toothless?

Ah, I think you need to put the "R" a little higher.

Drawn together to support our Raiders.



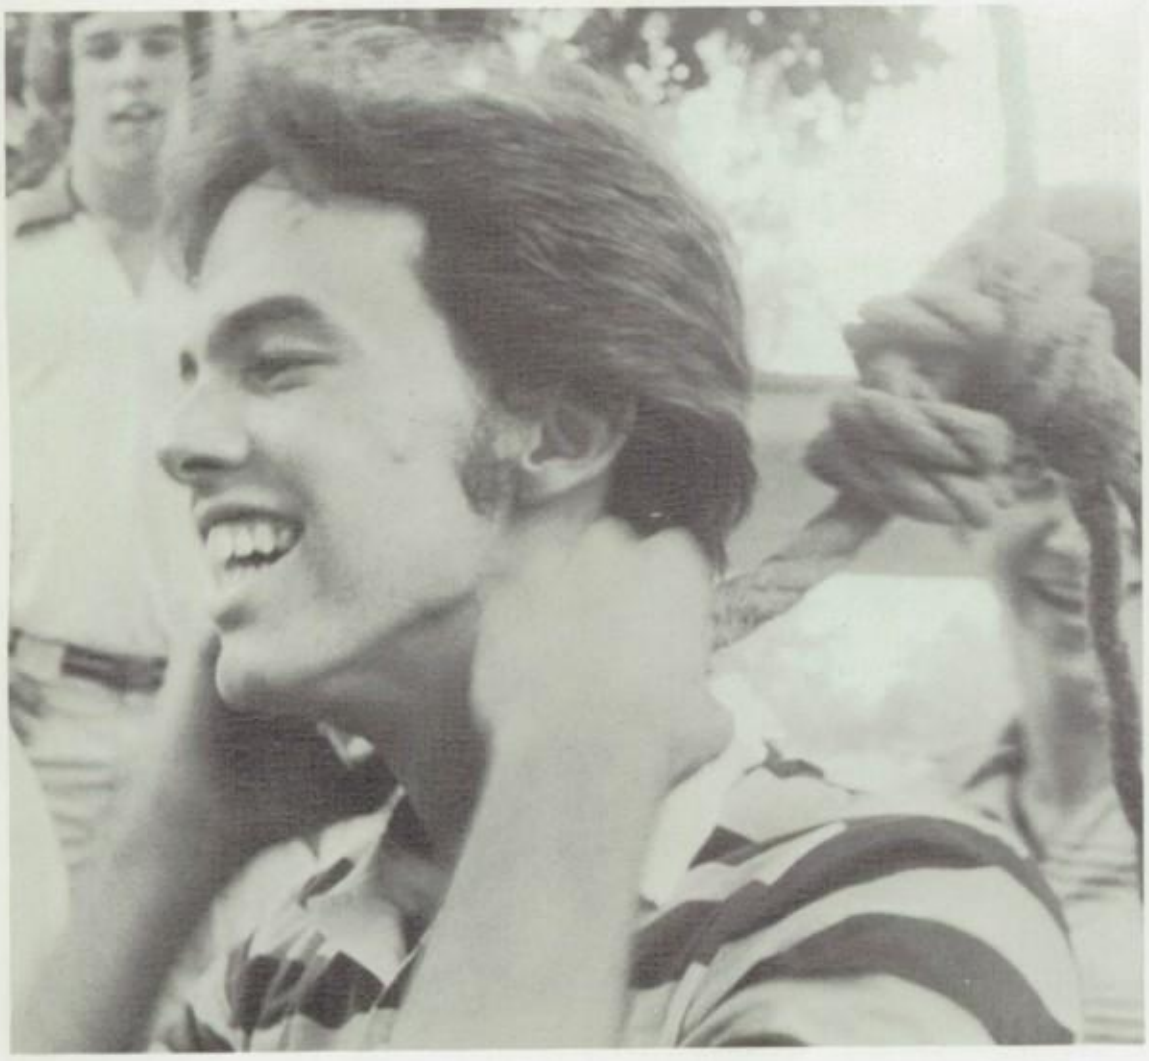
Brenda Holscher and Leta Sullivan share the true meaning of friendship.



OK . . . 1 2 3 pull!

Where people from all
over the country,
And even farther,
Persons from all walks of life,
With different opinions,
Personalities and interests
Join together as their tracks cross
At this special place in time.

What do you think you are doing? Just hold still.



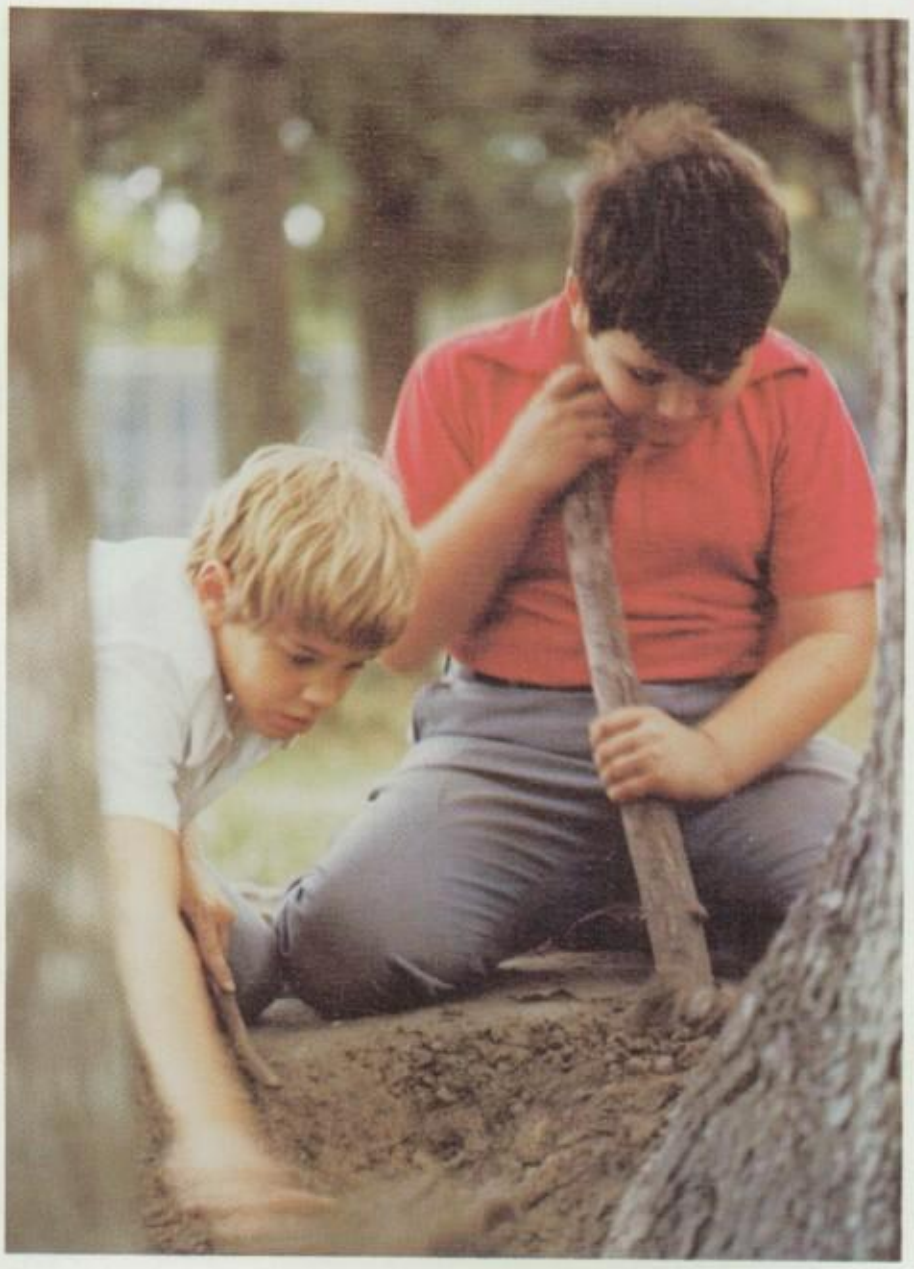
Alright, the joke has gone far enough.

You, Me, Us . . .

Comraderie is the feeling
That binds us . . . .
The common denominator
Of almost all relationships
At Savannah Christian.

Friends that are TIED together—stay together.

Even friends can have disagreements.



After hard work and play, little friends take time out to cool down.

Working together strengthens the bond of friendship.

Together

Laura McCallar and Pam Strickland smile a sigh of relief after a drill team performance.

Circle of Truth—Friends in a SHARING TIME.

More than just friends—that's what happens with many here at S.C.P.
A simple friendship that grows into -perhaps- one's first love.

After school—a time to relax and laugh with friends.

It becomes the starting point for
Friendships or even romance,
And the building block for a deeper
Respect for one another

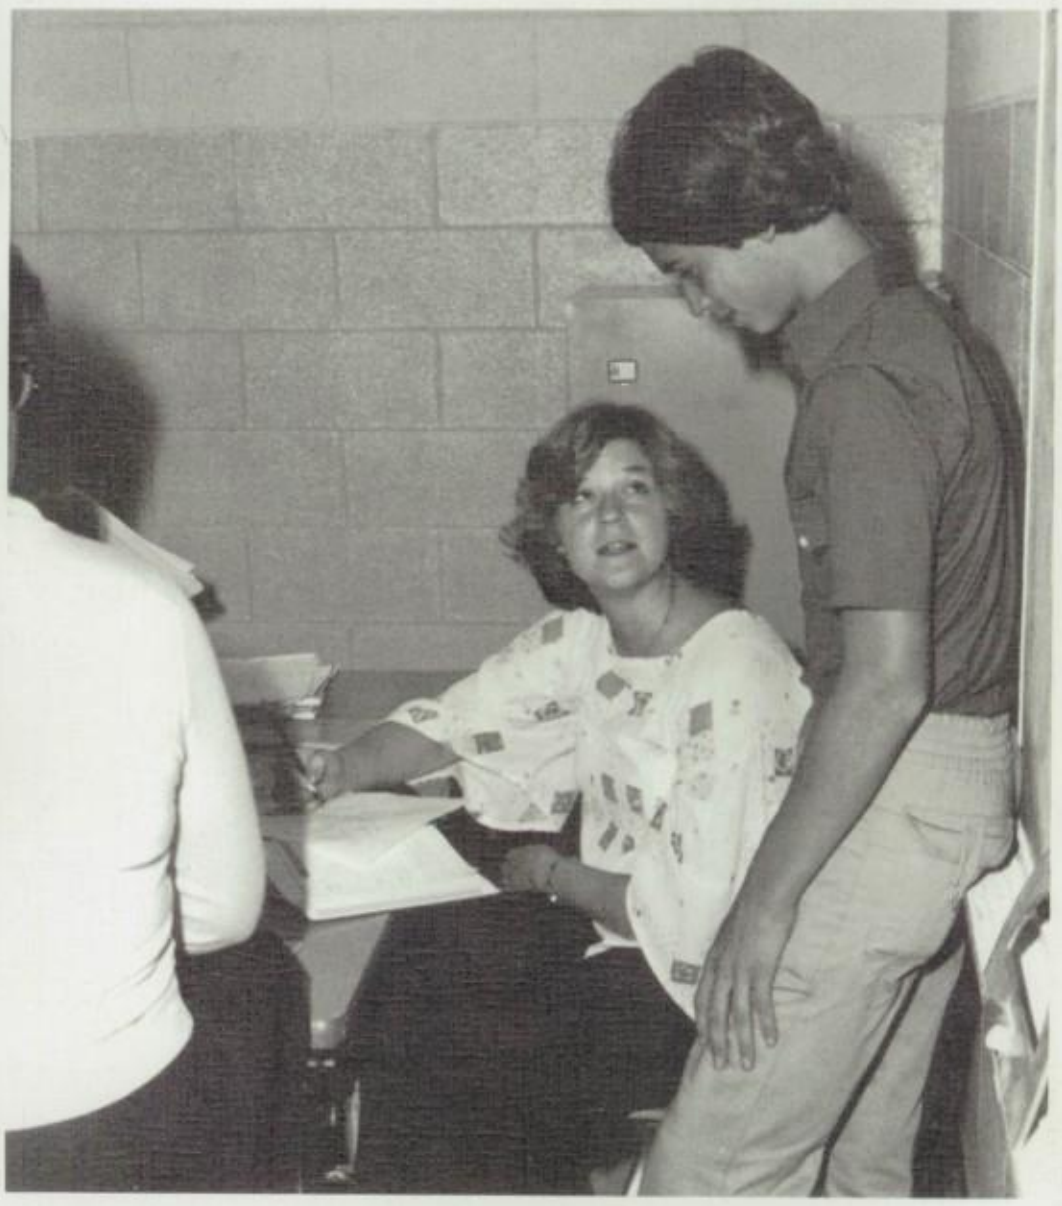
Poems, Prayers, and Promises . . . To Pass

At SCP, we are encouraged
To think for ourselves,
To be open to new ideas,
Both academically and religiously,
And to make our own decisions.
And based on this learning,
To "lay down our own tracks".

Bill and Linda Cates entertain SCP students at Chapel.

Many students, like Leta Sullivan aid teachers with their class work.

Jenny Waite takes time to dream.



Mrs. Dudley takes time to help a needy student.

Lori Smith is joined by her other classmates in deep thought.

During lunch, Robin Rhodes studies in an unusual position.

Special assignments bring many students together in search of information.

. . . Assignment-2046!!!

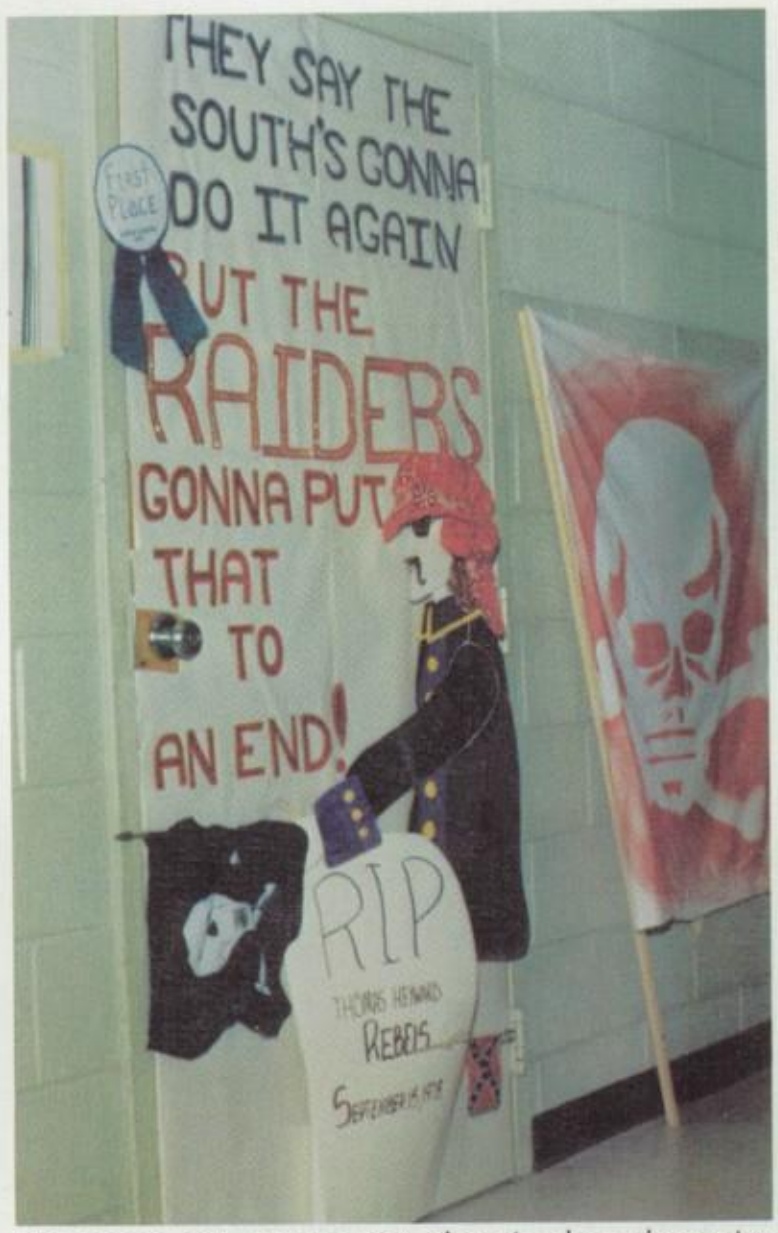
Jump, . . Shout, . . Knock Yourself Out,

The need for release
From the academic pressures
Mixed with class unity and
An intense school pride
Explodes into something
Exciting and unique—

But—Can—You—DIG IT?!!: Chant the varsity cheerleaders.

Raider Spirit

The heavily decorated tree displays sophomore spirit.



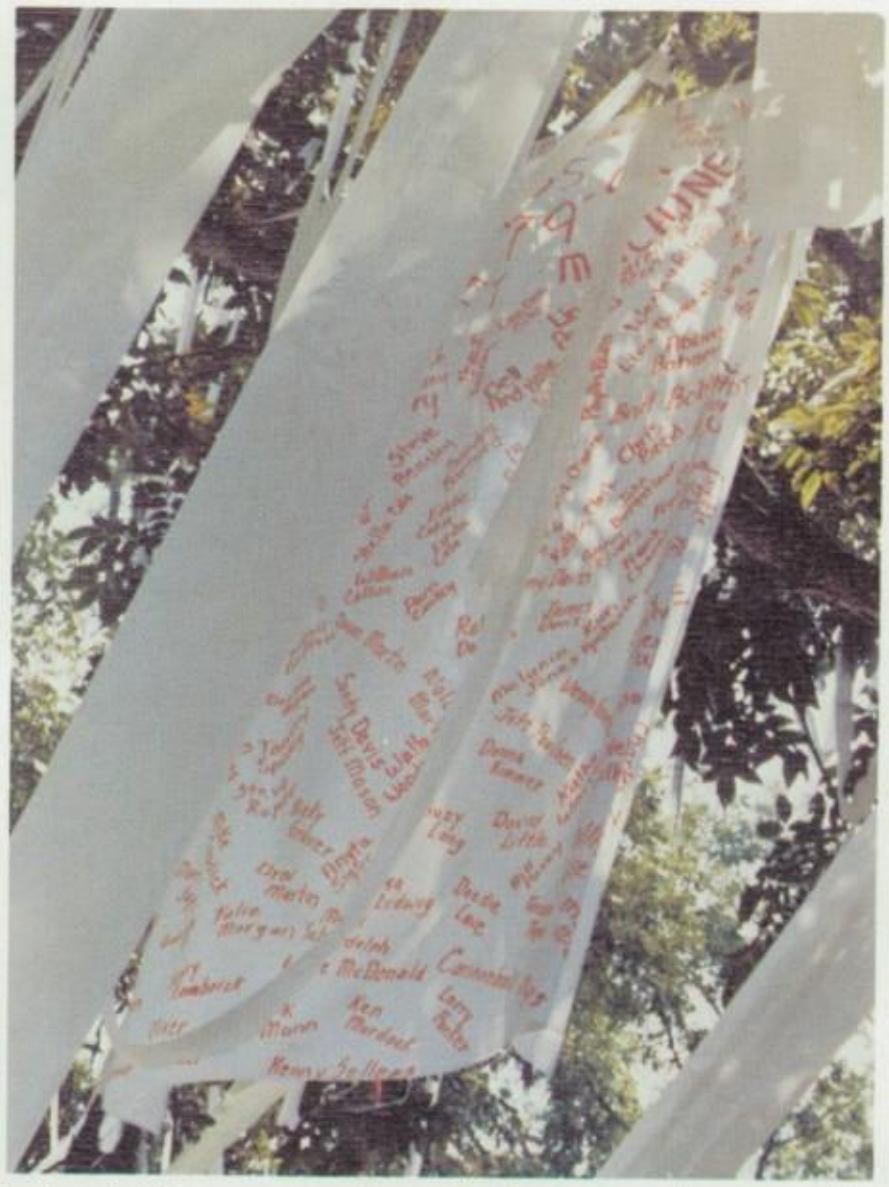
Homeroom 12² captures 1st place in door decorating contest.

The classrooms empties as the parking lot fills with students decorating cars for the Homecoming Parade.

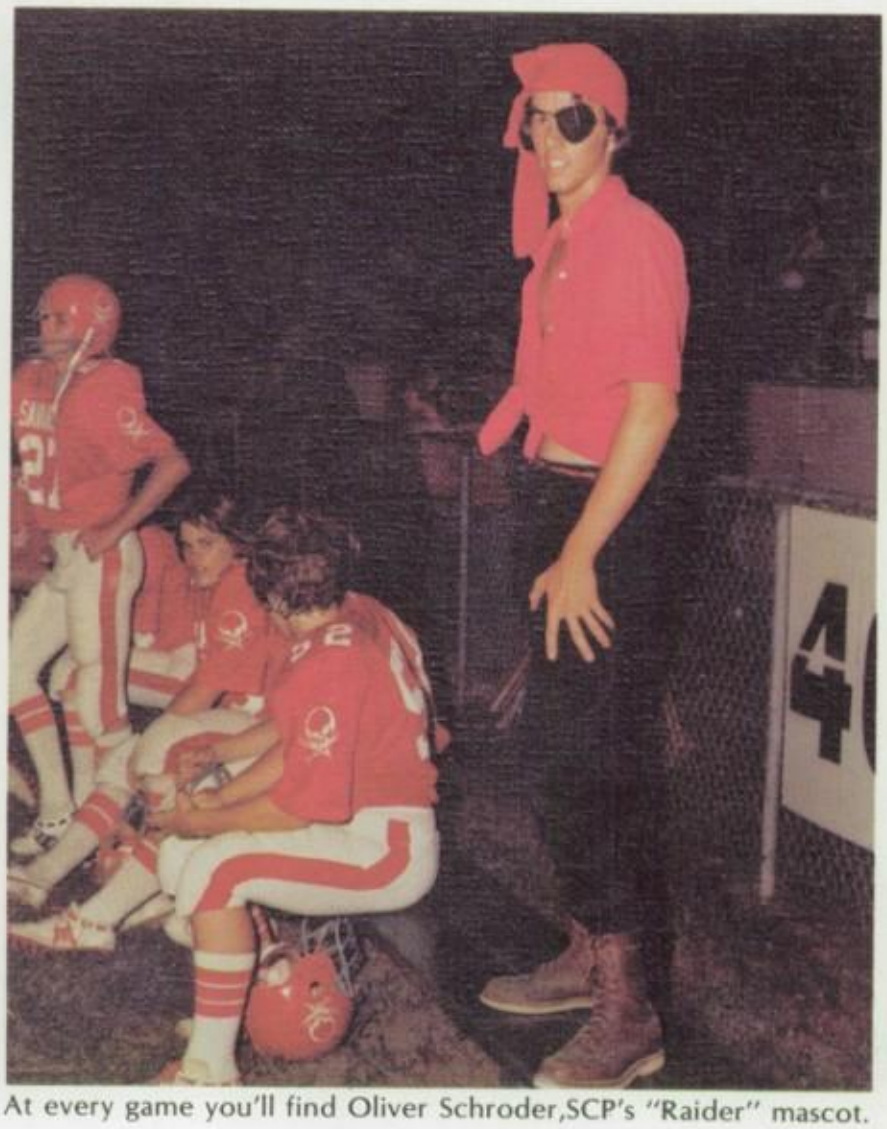
During Homecoming Week, Middle School students helped the Seniors win the Spirit Tree Contest.

Everyone gets ready for the Homecoming Parade from Cindy Jones to the Middle School Cheerleaders.

Our intrepid Drill Team prepares to leave on a miserable trip to Macon in an attempt to defeat Stratford.



Senior Spirit means overtime—Be there, Tuesday, September 12—9:30 p.m.



At every game you'll find Oliver Schroder,SCP's "Raider" mascot.

SCP's Board of Directors

SCP is owned and governed by a self-perpetuating Board of Directors. These men represent a good cross-section of the Savannah Community and are highly successful business persons in their own right.

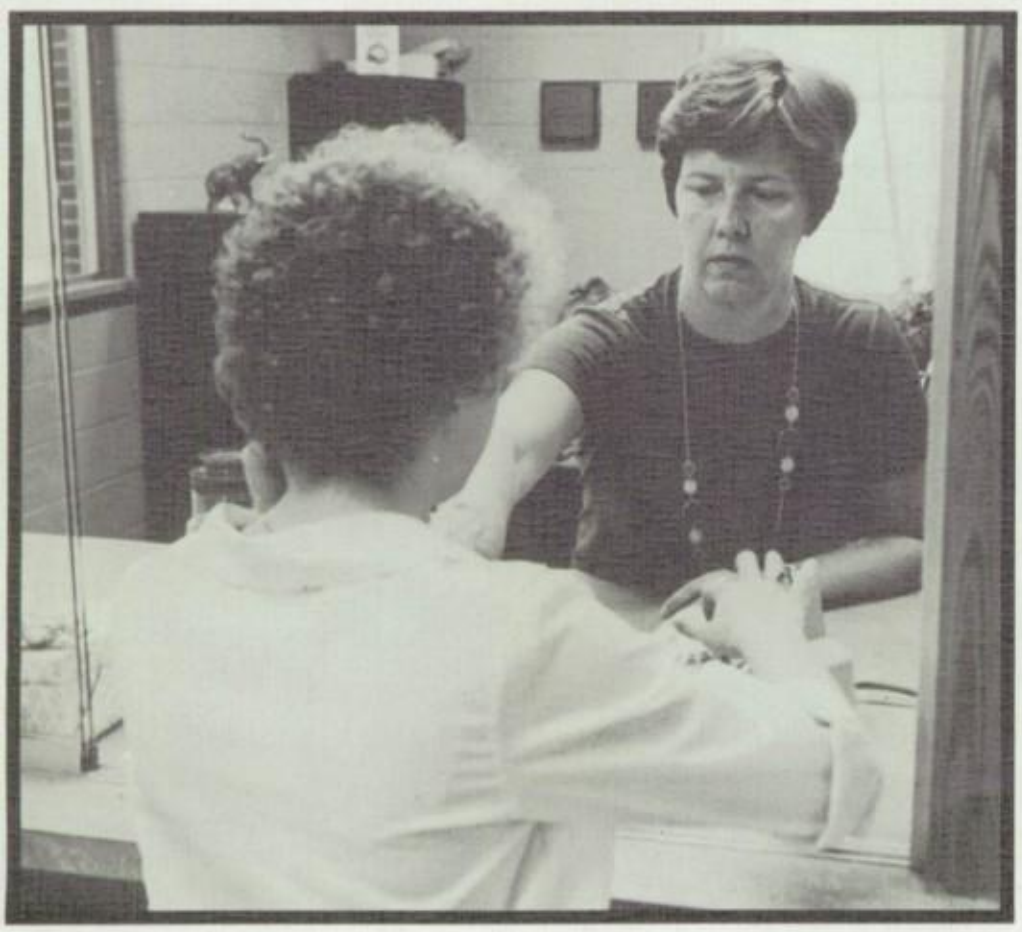
Bobby Welch
President

Bobby Welch has served SCP as its President for a year and a half. During this time, students, teachers, and parents have witnessed his progress with admiration.

Mr. Welch is a Business Administration graduate of William Carey College. He earned his Masters Degree in School Administration and Supervision at Northeast Louisiana University in Monroe Louisiana. He is a certified school administrator.

Bobby Welch is indeed an asset to SCP. His knowledge of the school, Christian attitude, and leadership qualities help in meeting the needs of over 1400 students everyday.

To
Mrs. Joyce Johnson
We Dedicate
The 1979 Miracle



On the campus of Savannah Christian, there are many different types of people. Some happy, some sad, some caring, and some who are apathetic. There is one special person here, who possesses the most desirable qualities that someone can hope to find in another.

Her disposition reflects one of love, awareness, concern, and sincerity. She always greets you with a smile, which especially cheers you on a despondent day. She is always there to help and to guide you. Her positive attitude and her reassuring tone makes you sure that all your problems will work out. Above all, she gives what most people seem to have so little of these days—Time. So along with our thanks, our love, and our warmest wishes for your days ahead at S.C.P., we dedicate The 1979 Miracle to Mrs. Joyce Johnson.

In Memory Of:

Kathy Warren, a member of the 1979 graduating class, was not able to participate this year in school activities because of a serious illness. Her perseverance taught us more than words can express and her strength throughout her struggle serves as a model in our daily endeavors. Even though it is hard for us to understand the reason for her death, we can be comforted by the words found in Romans 8:38a + 28, "For I am convinced that nothing can ever separate us from His love. Death can't, and life can't . . . And we know that all that happens to us is working for our good if we love God and are fitting into his plans."

HOMECOMING

Homecoming was a time for pep rallies, an extra spirited game, and the time to elect a new queen. Homecoming 1978 was held on September 15, 1978 at Memorial Stadium. All events took place before a jam-packed stadium filled with Raider fans and a crowd from Thomas Heyward. The Raiders, backed by fantastic pride and spirit, proved victorious with a score of 12-7.

At half-time, all eyes were upon the field as homecoming representatives and the six contestants took their places. Jan Bradbury, last year's queen, announced the winners. The winner and her court are: Second Runner Up-Tammy Turner, First Runner Up-Kiz Smith, and finally to the tune of "Sweet Carolina", Dee Dee Sikes was announced the winner.

Following the game, a Homecoming dance was held at the school to finish the Homecoming activities but the grand school spirit that filled everyone's heart continued.

Jan Bradbury was on hand to share the shock . . . unbelief . . . excitement . . . joy . . . and the total feelings that only a queen could experience with Dee Dee Sikes. Tears of joy came to her eyes as her name was announced and the crowd began to applaud with approval. The honor that Dee Dee received will long be remembered and cherished by many.

Highlighting this year were celebrations and parties. These "extracurricular activities" helped to break the monotony of the week. The students participated in three victory dances during the year.

Seniors enjoy lunch and sunning in the courtyard.

Privileges prevail. Throughout high school history, senior students have enjoyed certain fringe benefits. The year of '79 drew a line to the "cove." The general set-up included a cafeteria style lunch and separate seating arrangements for senior members only. One of the "beauties" included the spacious courtyard. This lot encompasses a luxurious scenery and accomodations fit for any beings except humans.

Earth calling Hill!!

SCP has entered a new era in mass communications. Linda Brazell SCP's P.R. person, hosted a daily, five minute T.V. program, "In The Schools."

Back on campus, Bill Thorne, Kelly Oetgen, and Pat Smith voiced the announcements.

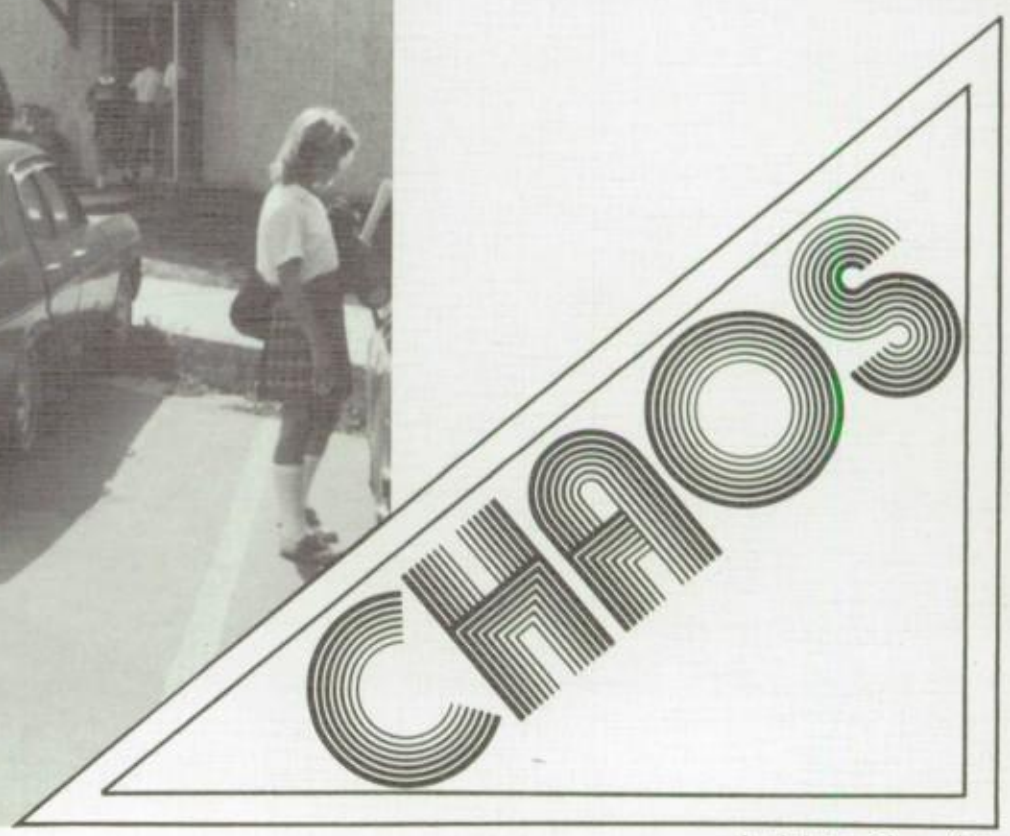
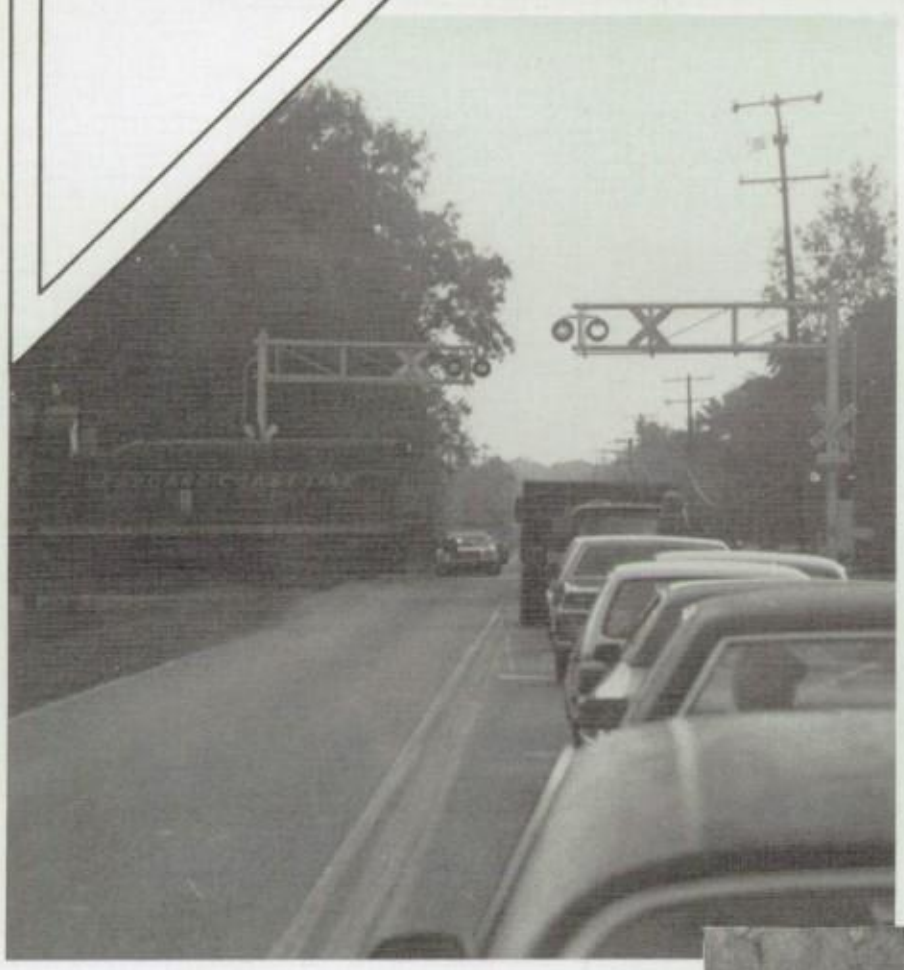
Occasionally, but far too often, students are made to clear their lockers and carry all contents for two periods. This dread event is commonly referred to as "Locker Check".

The bell to end class marks the beginning of chaos in the halls as students push to their next destination. Death would be sure if anyone suffered from "Mob-o-phobia."



PAINS



That #$%*@¢&% train!

Every campus has their own "pet peeves." As we drive to Savannah's most exciting campus, we encounter a shake-like contraption that does not move at a locomotive speed. Unfortunately, the trains become a distinct part of everyday SCP life.

If catching trains is not enough, we offer the "natural" boundry of railroad crossties. Our landscape is surrounded by these monstrosities that serve as practice hurdles.

Then there are those fat, yellow worms, that stretch across our avenue. Speed bumps finish the damage that speeding starts!

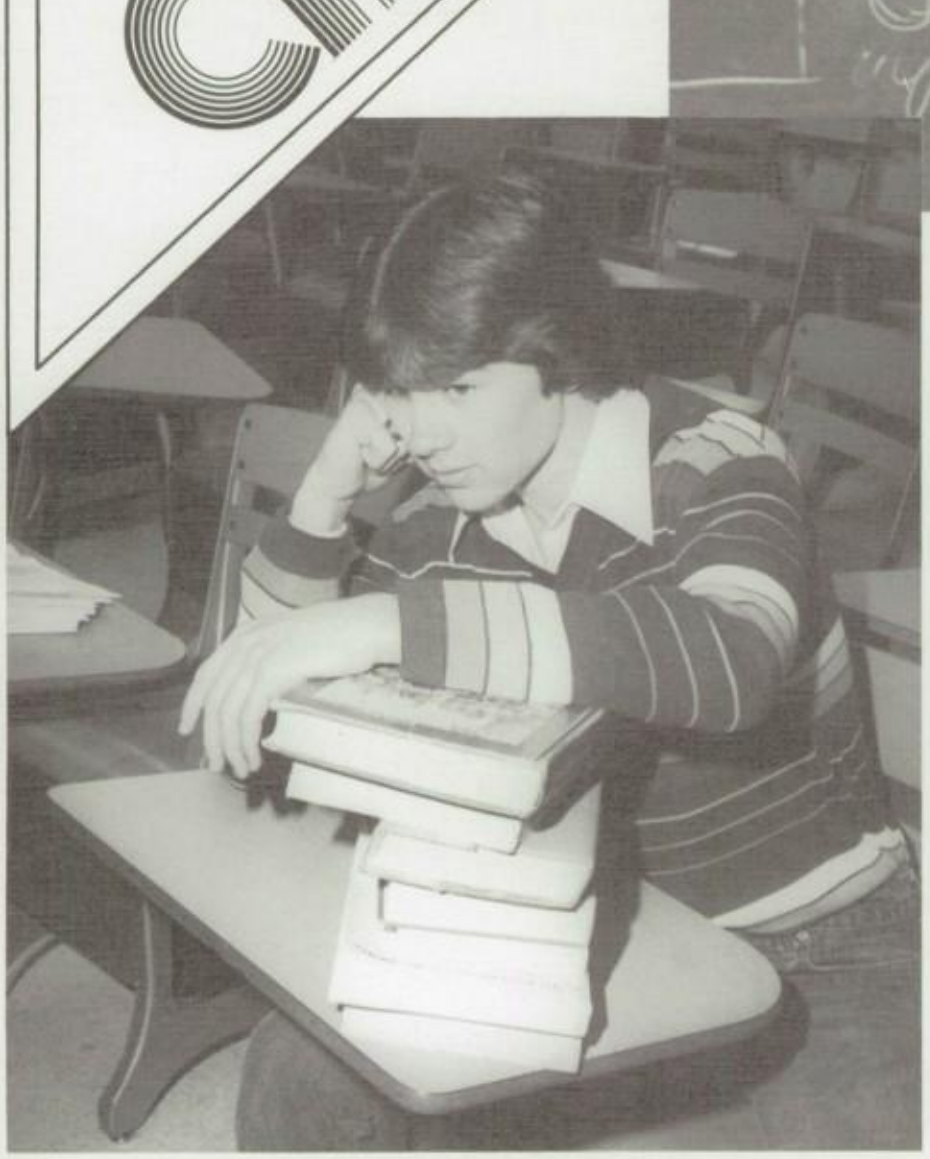
CHANGES



Mike Jones waits for a forklift to carry his A.P. Books!

Academic evaluation upgraded our system this term to sufficiently inspire excellent grades. For example, as "A" transforced over night from 90-100 to 93 or above. Failing grades rose from a 64 to an evil 66.

A.P. courses were newly introduced to aspiring SCP students. Academic excellence is greatly stressed and achieved on our campus. The increasing pile of books and daily supply of paper and notes sufficiently asked the A.P. students as scholars.

Opening up to success...

In the opening game of the 1978 season, the Raiders exploded behind the running of Gene Dodd, Jeff Adams, Larry Brobst and the sensational pass catching of Charles Zimmerman to post a 32-0 victory over arch-rival River North. Peppy Zittrauer and Glenn Wilson led the defense. The Raiders displayed an awesome defense, led by Walter Kent's fumble returns of 54 yards and Mason Schwarz's 13 tackles, to lead the Raiders to their second shutout in as many games with a 26-0 win over Deerfield.

In the third game of the 1978 season Stratford Academy built up a huge lead and fought off a valiant comeback attempt by Gene Dodd's three touchdowns to hand Savannah Christian their first loss of the season, 29-32.

Homecoming 1978 brought Savannah Christian their third win in a hard fought win over Thomas Heyward 12-7. The Raiders fell behind early and were led in their comeback by a 47 yard scamper by Larry Brobst.

The Raiders zipped Southland 28-6 to post its fourth victory in five starts. Randy Fetzer led the Raiders victory with a 65 yard fumble return. The defense played outstandingly again.

The number one ranked Raiders stormed over Deerfield Academy of Albany, 20-0, to reach the state finals of the SEAIS Class AA. Led by a fiery defense and a crushing ground game, SCP moved closer to their second consecutive State Championship. Jeff Adams scored two touchdowns and Gene Dodd added another to give the Raiders all the offensive punch they needed.

Savannah Christian captured the State AA title for the second straight year in a heart-stopping 21-14 victory over a stubborn Stratford Academy of Macon. The Raiders scored twice on runs by Jeff Adams, and once on a fumble recovery by Andy Davis, but had to hold on for dear life in the fourth quarter. Driving for a score late in the game and only seven points down, the Eagles faced a fourth down on the one yard line. The Stratford quarterback appeared to score on a quarterback sneak, but the play was nullified when the referee ruled that he had been pushed into the end zone. The recurring penalties and a sack of quarterback by Pepe Zittrauer preserved this great Raider win.

The mighty Raiders opened the 1978-79 season with a streak of four wins defeating Thomas Heyward, Calvary, Stratford and Burke before bowing to a tough Thomas Sumter team by one point. However, the Raiders returned to winning form by capturing the 1978 Holiday Classic Christmas tournament title in three straight games. The Raiders continued their march toward the Region crown by convincingly defeating, Pinewood, First Baptist, Hancock and Wade Hampton. The Raiders then invaded Calvary territory only to suffer a heartbreaking loss to Calvary, a loss that was not to be forgotten. The Raiders then rebounded from the setback and took it out on Windsor.

This year the Girls Varsity Basketball Team started their 1978-1979 season with a close lead over Thomas Heyward. The score was 29-26 with Stacy Missroon scoring 13 points.

Their second game was not as successful. Calvary, a tough team to beat, triumphed with 51-32 being the score.

Next the SCP girls tackled the St. Vincents' team, but lost control of their opponents with the final score 25-57. The girls' coach, Ms. Jordison commented, "We learned a lot about our team work!"

Our next game was against Stratford, one of the state's best teams. Our pride was hurt, but the team played hard with Lynn Watkins scoring 14 points.

Burke was another story. Our girls boosted their momentum to win the first region game for SCP girls. Stacy Missroon was high scorer with 16 points. The final score was 38-26.

Once again our girls were challenged by St. Vincents'. We improved our game, but missed the shot. Our girls outscored them in the third and fourth quarters leaving the score still 31-43.

The Pinewood game was great! SCP girls ran over the Critters and won the second region game. The final score, lapsing into overtime, cleared 47-44 with Kelly Oetgen scoring 18 points. Karen Short pulled us through a crucial 6 points.

Team work whipped First Baptist Girls. Our first winning streak was achieved with the score of 32-25. Stacy Missroon scored highest with 14 points.

Our next game with Hancock ran "neck n' neck" till the end of the third quarter. We were defeated in overtime with 44-46. Kelly Oetgen held the high score of 20 points.

We flew ahead with a seven point lead against Wade Hampton in the first quarter. The defense held strong, but the game ended with 23-32 points scored.

Lady Raiders gain

We played Calvary a second time and although we tried the score tallied 20-56. The high scorers included Jan McGinty, Ellen Dearing, and Kelly Oetgen.

We played an unusual game against Windsor in Macon. Our girls failed to score till the third quarter, but made a surprising comeback with a final score of 53-44.

The girls then went on the road to challenge the Stratford Eagles, a strong team. We came up short 31-70 with Kelly Oetgen scoring the high of 14 points.

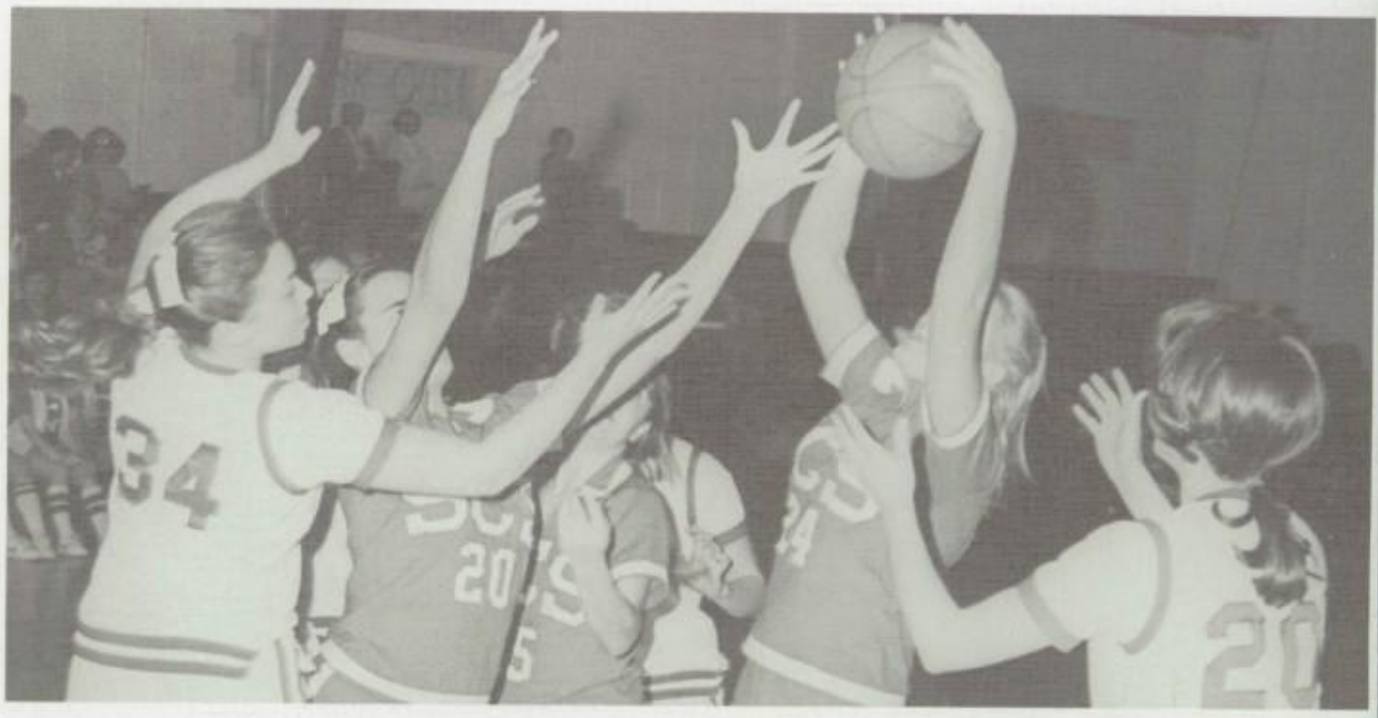
For the second time we competed with the Pinewood Patriots. We missed the region game with 38-45 putting us into fourth place according to the region.

Next we rolled over Buckhead with 69-20. Kelly Oetgen hit a big 27 points.

Our second game with Thomas Heyward was close. With no baskets made until the second quarter we dribbled up the line with a final score of 28-29. Cathy Phillips proved high scorer with 8 points.

Our next game against Calvary improved with 22-40. The tie broke during the fourth quarter and we lost control of the ball. Kelly Oetgen scored 8 points.

Our last game was a really tough one! Stacy Missroon injured her ankle the last two minutes of the game, but she was a high scorer with 15 points.



Kelly Oetgen says, "It's mine and leave it alone!"

Lynn Watkins flies for two points.

SCP, WHO YA' ROOTIN' FOR?

Kiz Smith-Captain-Senior

This is a year of quiet revolution for the Varsity Cheerleading Squad. Beginning with a careful analysis of the goals of cheerleading, the ten girls, reached some important decisions: 1. The varsity Cheerleaders must be responsive to the needs of the cheering section. 2. Cheerleaders are not performers or entertainers, but leaders. After a strict regimen of running, exercising, tumbling, dancing, sign-painting and brainstorming, the squad made exciting plans for a whole year of activities.

The earmarks of this year's squad are congeniality and spontaneity. Warm personalities and exuberance bubble over to make all the hard work worthwhile. Such qualities are most evident on the sidelines of football and basketball games, where renewed spirit, friendliness, and fun come together to create outstanding support for our Raiders.

Student council '78-79 is working now on a charter for themselves. They also raise money and spend it on useful things, like last year's Student Council bought new office furniture for the Middle School. Student Council is work, but Student Council is fun!!!!!!!!!!!

Yes, Student Council DOES mean fun to the Middle School! This year, they sponsored a Christmas Dance on Dec. 14, 1978, where Miss Jr. SCS was crowned. Also, they planned the Spring Dance.

Coach Roth- played four years of varsity football in high school. He is presently in his sixth year of coaching and teaching.

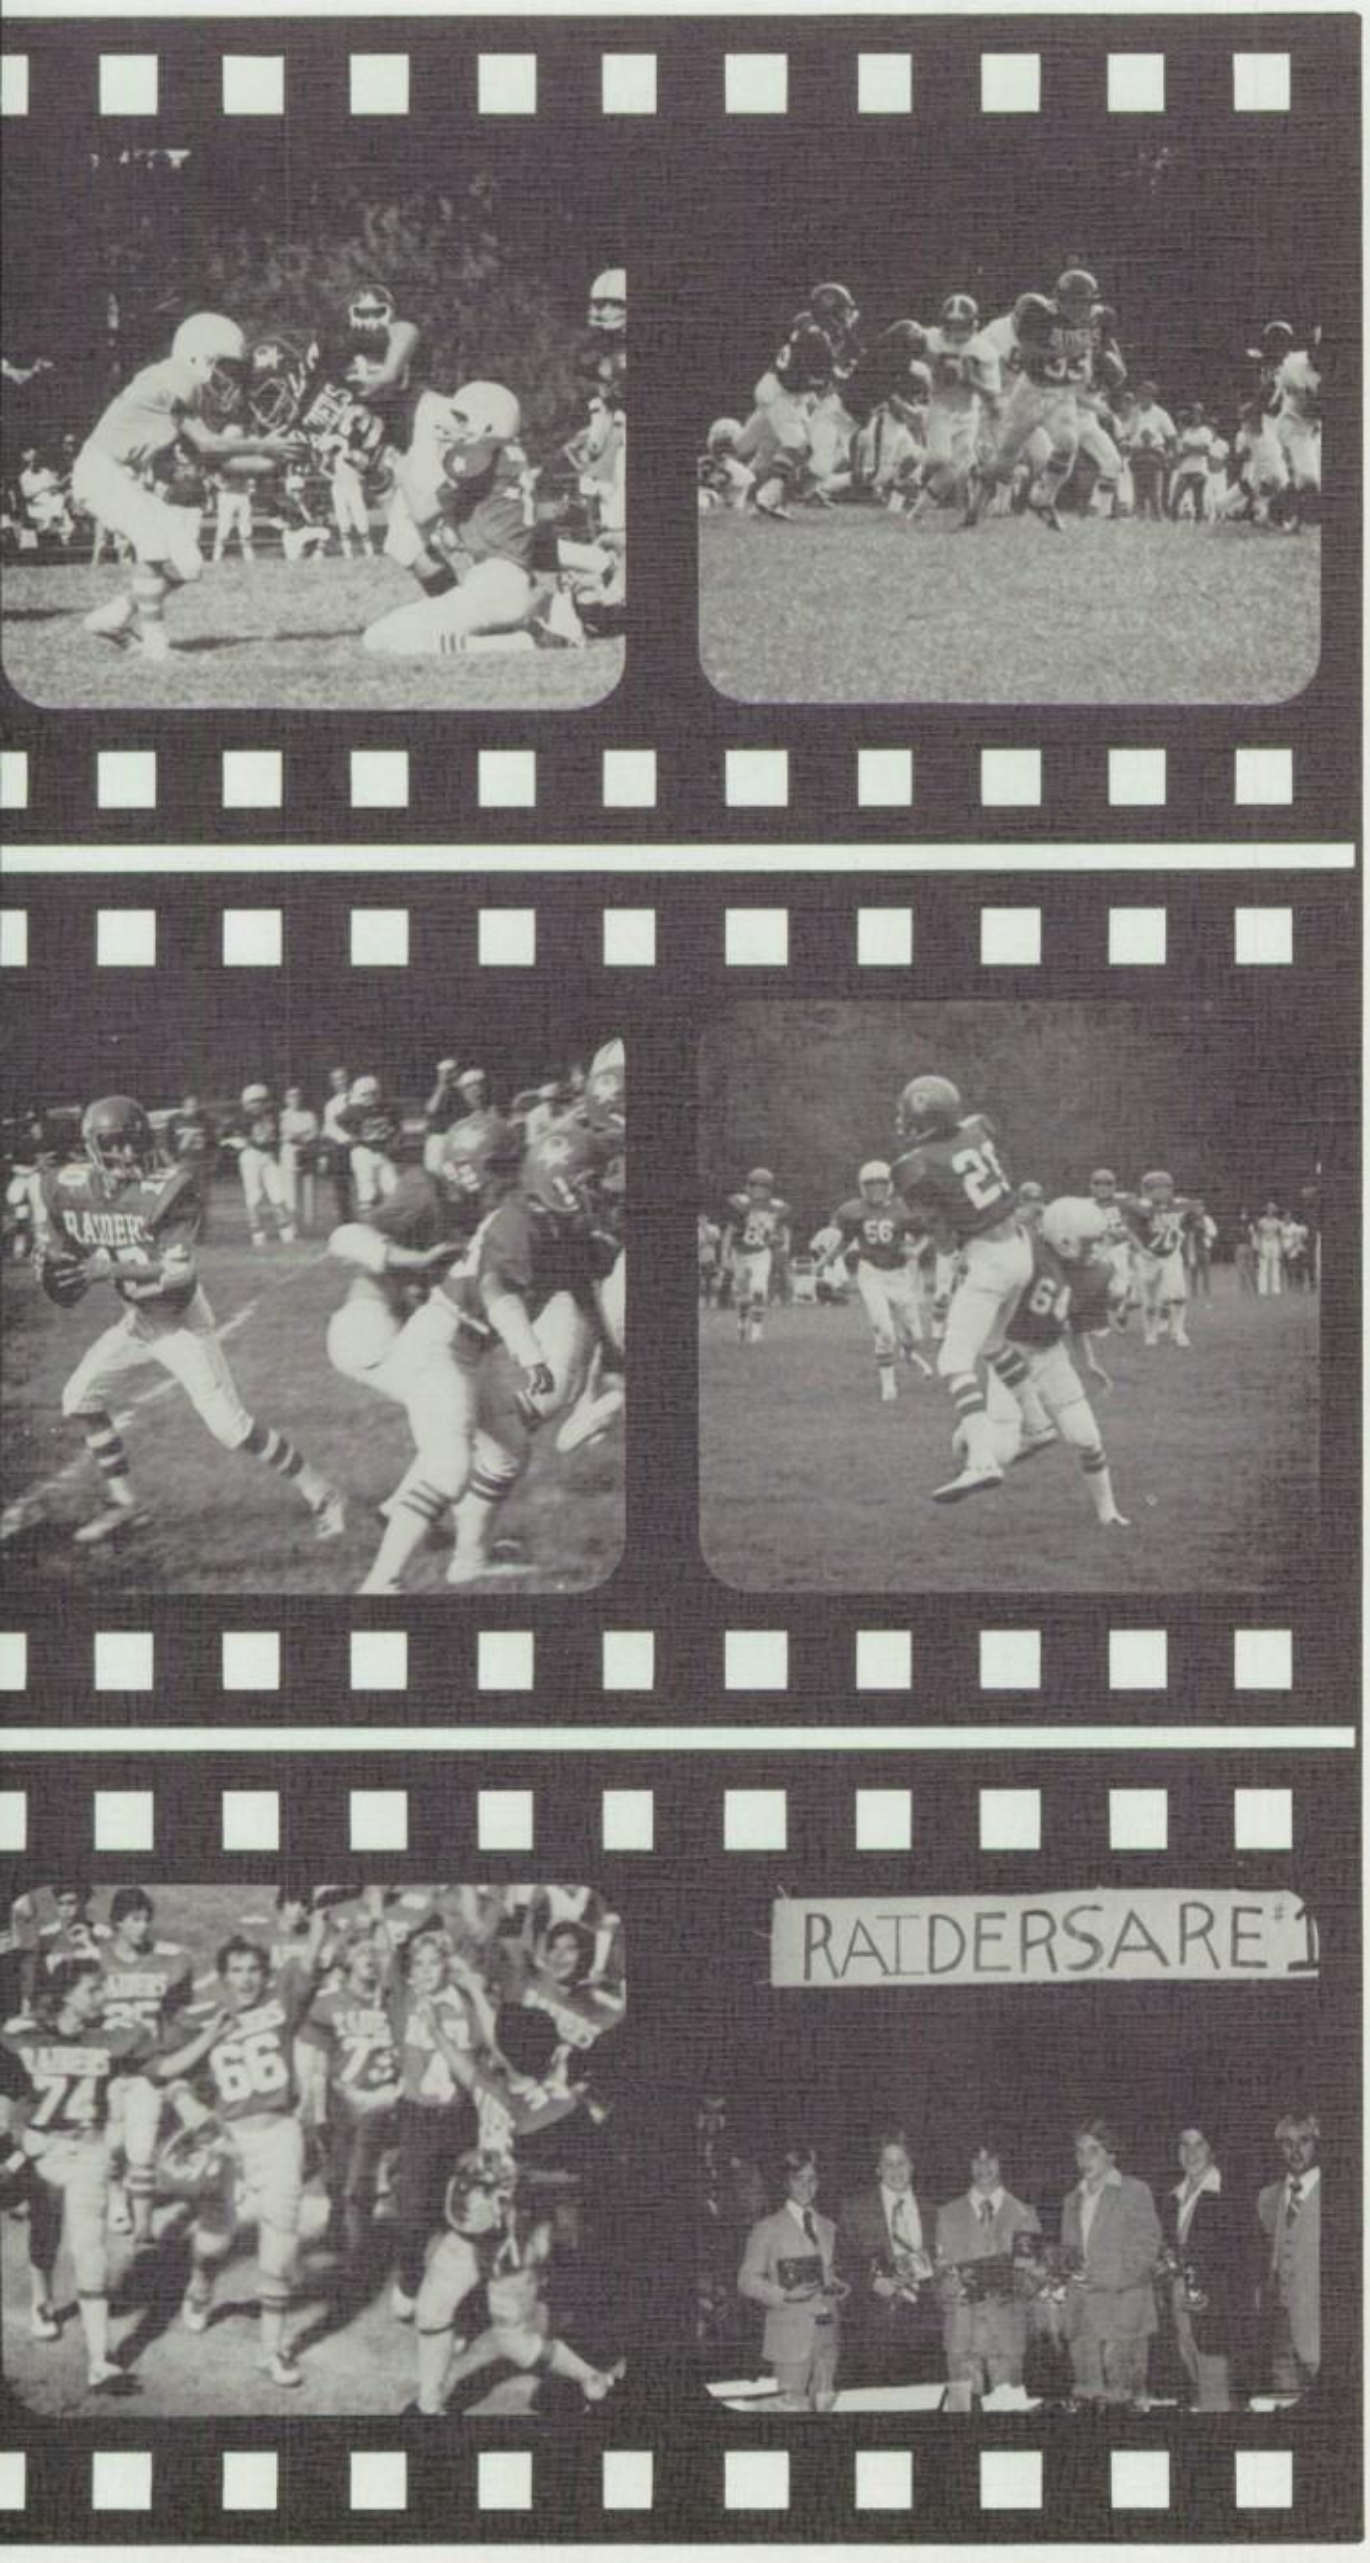
Coach Goodman - played three years of basketball at Jenkins High School. This is his third year at Savannah Christian.

Coach Roth and Coach Goodman give the team a pep talk.

Middle School Raiders, after a hard fight, rest after half-time.

Yea, Yea,

Yea, Yea, Uh Huh!



Well, folks, looks like the Middle School Raiders have done it again. They've taken the trophy for the League Championship. Let's take a look at a clip of their winning game.

1. The Raiders are ready and waiting. It seems that Q.B. Clay Helmly has them in good field position.
2. The first punt of the game is by Tommy Leech.
3. The opponent fails to move against the Raiders, so the Raiders quickly take control of the ball and move it down the field.
4. Skip Toler fights for a hard first down.
5. Skip Toler strides for 6 points with the blocking of Robbie Smith and Ronnie Akins.
6. The Raiders are stopped on the extra point.
7. Raiders' offense meet opponents with high spirits.
8. The defense quickly stalls the opponents' next play. This opens the second half.
9. The Big Red Machine takes control of the ball, Q.B. Rob Davis fades back to complete the pass.
10. Mat Starling catches the ball for another Raider first down.
11. Wyck Newberry rushes for good Raider yardage.
12. The opponent knocking at Raiders' goal line is quickly cut off by Tommy Leech's interception.
13. The Raiders walk away with the victory.
14. The Raiders are awarded the trophy and Tommy Ciarletta proudly displays it while teammates go wild.
15. The banquet proves to be a big success as the award winners show that they put in a good year.

That's all for evening sports. National news up next.

Crossing Tracks . . .

And there you have it, the pages of photographs, the paragraphs of copy, the records of real events that separated this year from all others.

Coach Attwood and Mason Schworz tell about the big game against Pinewood.

Raider fans support the Big Red Machine even in the rain.

Brain Welch wonders what Christmas carol the 3rd period French I class is singing now.

Not another one!!

"We want two points!"

Jr. Varsity Cheerleader lead the Raider fan in spirit.

"Big John" tell the students how things are.

Kathie Clark and her friends enjoy each other's company before going to 5th period.

The tracks of 1978-1979 are heavy, distinct, and unforgettable . . . state championships and scholarships for the Raiders that excelled, increased academic challenges with a tighter grading system, a choice of lunches in the cafeteria, a political breakthrough on the I-16 exit issue, and the rise of the most spirited class in the history of the school.

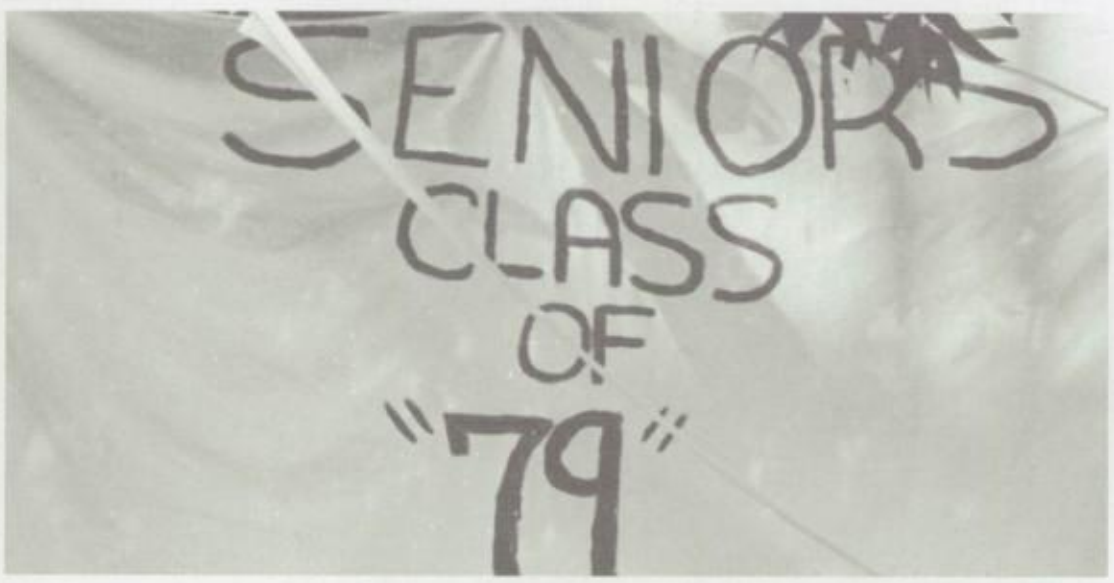
Crossing tracks . . .

The Class of 1979 . . . one of a kind, charges forward into the years ahead. They leave a path easy to follow but impossible to duplicate.

Greg Reyna looks as if he has just come from South of the Border.

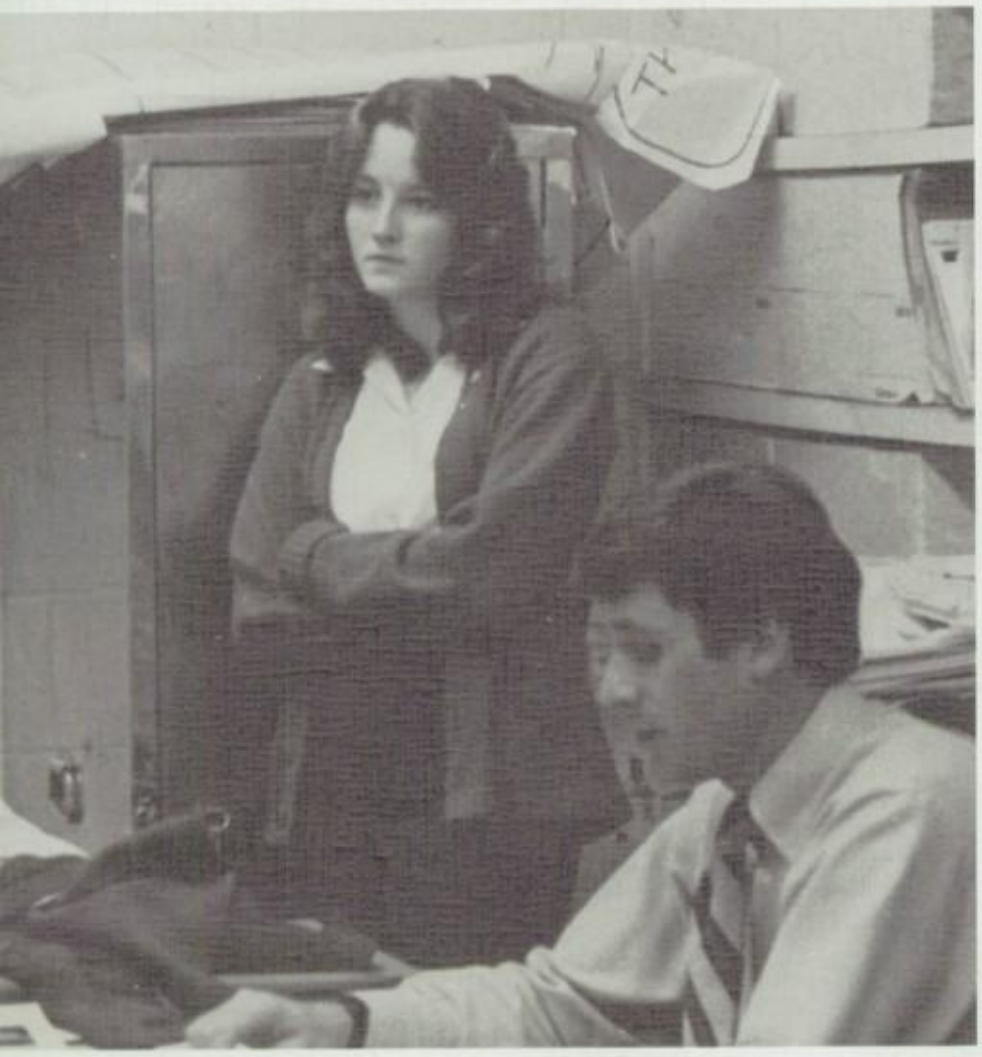
Sandy Davis showed her school spirit with the truck she decorated for the Homecoming Parade.

Mason Schwartz, Ken Myers, and Wesley Allen were a tremendous help with the tree sales.



Indeed Senior Spirit was superior.

"I don't know", said Christine, "what do you want to name him Karen?"



Sales representative John James helped the staff out of many crucial situations as he visited once a month.

THE YEAR'S EVENTS CAPTURED

Amidst constant chaos, the 1979 Miracle Staff put a 308 page yearbook together. The 20 staff members led by Mrs. Marilyn Hill, advisor, and Fran Gay, editor, worked from August until February on the 1979 publication.

This year's book contained almost all the activities and people associated with the school. The theme "Crossing Tracks" was chosen because it conotatively and denotatively applied so well to our school.

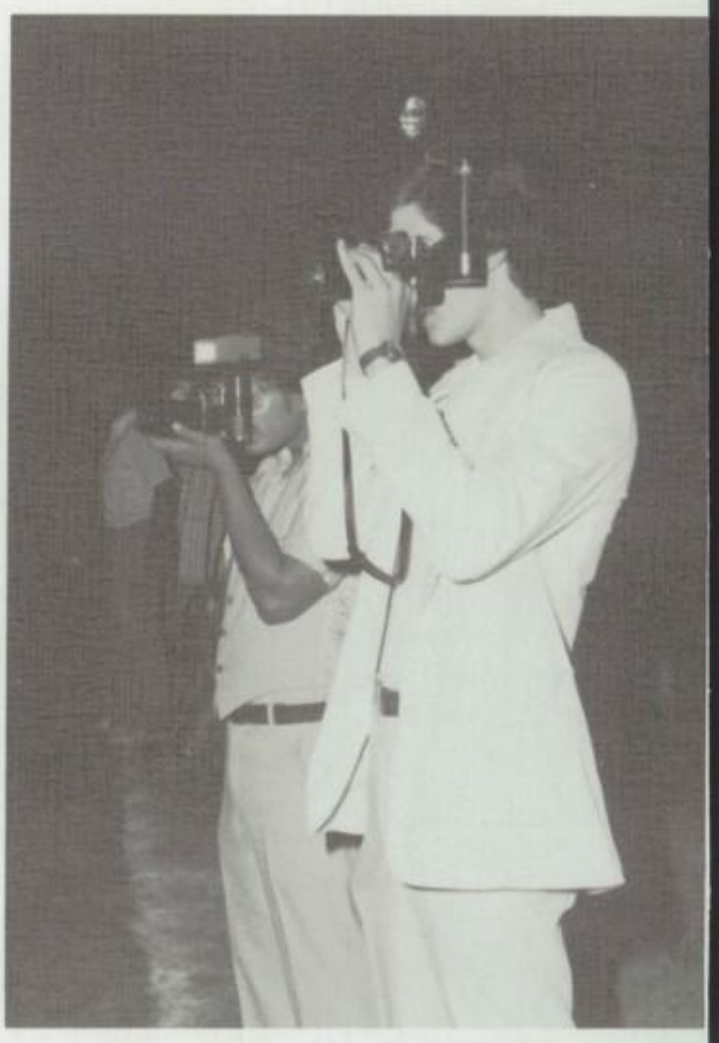
In order to put the Miracle together, students worked an hour in class every day as well as endless hours at home. Time that was usually spent watching T.V. and sleeping was often sacrificed in order to meet deadlines.

Phyllis Wise helps Cindy Shealey and Pam Cooley with the Senior Histories.

It appears that their dreams of fame, fun, and big budgets gave way to long hours, hard work, and penny pinching.

Jodi Eshelman and Bobby Robertson work on Upper School Activity lay-outs until their page design was perfect.

... BY THE MIRACLE STAFF.



Allan Adams and Steve Simonaitis were always on hand to help take pictures at school activities.

Kathie Clark puts her best efforts into the copy for the Middle School Football section.

Photographer Bruce Nelson takes a look at some of his pictures.

Donna Hughes and Kelley Oetgen helped with the typing that needed to be done.

If you happened to be walking down the hall and you saw someone standing on a table pulling out their hair, you probably just passed the lay-out room. If you gathered enough courage to stop long enough to find out what was going on, you might have heard some comments like . . . "but Fran, only 307 more pages to go . . . please Steve, just one more picture . . . and WHY can't you stay after school today . . . Hesham, you mean you actually dropped the 1400 card index on the floor . . . I am not the advisor to an annual staff, I am the advisor to a zoo . . . "

Rachel Simonaitis and David Little make an attempt to think of some creative ideas for their section.

Ray Ellis, Bruce Nelson, Hesham Oubari try to decide upon which picture would best fit into their section.

Hard work and concentration doesn't stop Gina Higgins and Rachel Simonaitis from enjoying their job.

Pam Cooley, Kathie Clark, and Cindy Shealey make an attempt to organize their pictures.

After finishing the lay-outs, Phyllis Wise helped David Little write captions for the activity section.

Mrs. Hill and Fran Gay smile with satisfaction as deadlines were completed on time.

A CLASS WITH CLASS!

FROM THE EDITOR . . .

As I write this final note, my emotions are varied and mixed. It is over! The months of constant problems and pressure are finished, yet the year has been a positive experience. I have seen many things that I would not have seen otherwise. I have learned to perceive Savannah Christian as a whole and have come to love my school more.

The staff worked hard and they have tried to tell you a story . . . the Savannah Christian story. When you read this Miracle, don't be the least bit surprised if you catch a knot in your throat, for only time will make you appreciate this year at Savannah Christian. If in turning the pages of this book you recall a moment that was really special to you, then we have succeeded. We will never know how well we did our job but thank you for giving us the opportunity to try.

Now comes a time to give a simple "thank you" to those who devoted of yourself. The staff has done a good job and I am most thankful for those who stuck it out with me the entire year. I hope you have benefited from this year as I have. To my family and Lisa Bagwell I owe a big "thank you" for their moral support. Most of all I want to thank our yearbook advisor, Mrs. Hill, who pushed me when I needed a shove, who motivated me when things got tough, and endured many a hectic hour while we tried to meet deadlines. I could never thank her enough for her efforts and willingness to share this experience with us.

True, the copy and pictures are in and the final pages are completed. The yearbook is now yours. It is my hope that in the years to come when you reminisce about your year at SCP that you will read the Miracle and vividly recall each event that started you laying down your own tracks in life.

Best Wishes Always,
Fran Gay
